

708.3.1f - Speaker Checklist

Instructions. This Speaker Checklist (“Form”) is used for speaking engagements (e.g., a speech or presentation as is further described in Section 2). This form should not be used for professional trainers or training firms, who must use a standard Independent Contractor determination checklist or a purchase requisition.

- Each engagement must last no more than a week.
- Each speaking engagement must not exceed \$5,000.
- The form must be accompanied with IRS form W-9 (<https://www.irs.gov/pub/irs-pdf/fw9.pdf>) and is therefore currently limited to persons eligible to sign form W-9 as a U.S. person.

Prior to the initiation of any services from the speaker, the following steps must occur:

- This form must be completed and **signed by the individual performing the service**
- This form must be reviewed and signed by the responsible department; and
- Accounts Payable must review and approve the form and communicate this approval to the responsible department.

This form helps Accounts Payable determine if using this form is appropriate or whether a standard Independent Contractor checklist must be completed. Longer engagements and engagements exceeding \$5,000 require an Independent Contractor checklist and associated forms. Additional information may be requested from the speaker to make the appropriate determination. Background checks may be required if there is unsupervised contact with sensitive populations or the engagement requires access to sensitive data or facilities. Generally, background checks for speakers are not required per University Procedure 708.1 (<https://policies.unc.edu/TDClient/2833/Portal/KB/ArticleDet?ID=131542>).

The Form must be completed, including all required signatures, prior to submission to Accounts Payable. Incomplete Forms will be returned to the responsible department.
