

NC CLASP Antibiotic Stewardship Conference

May 22, 2024
8:30 a.m. to 4 p.m.

Enterprise Conference and Event Center
1922 S Martin Luther King Jr Dr.
Winston-Salem, NC 27107

Join us at WSSU's Enterprise Conference and Event Center for an engaging and informative opportunity for healthcare professionals to gain valuable stewardship knowledge they can use to optimize use of antibiotics with their patients and to network with peers from other healthcare facilities.

The conference will be packed with experts from around the state presenting on topics including:

- Perennial problems in antibiotic stewardship—and how to do better
- Quality improvement, collaboration, and communication
- Building blocks and best practices for your stewardship program
- And more of the practical content you've come to expect from NC CLASP

Register Online! www.wakeahec.org

This conference is funded through the CDC/NCDHHS - HAI/AR Strengthening Project grant.

Continuing Education

CME Credit: The Wake Area Health Education Center (Wake AHEC) designates this live activity for a maximum of 5.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The North Carolina Medical Society is a member of the Southern States CME Collaborative (SSCC). Wake Area Health Education Center is accredited by the SSCC to provide continuing medical education for physicians.

Contact Hours: Wake AHEC will provide up to 5.50 Contact Hours to participants.

Pharmacy: 5.5 contact hours, ACPE #0046-9999-24-154-L01-P

The University of North Carolina Eshelman School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Upon fulfillment of the participation requirements, verification of credit will be maintained with the UNC Eshelman School of Pharmacy and a record of successful completion of this activity will be submitted to ACPE/NABP's CPE Monitor.

Wake AHEC is part of the North Carolina AHEC Program.

Learning Objectives

At the conclusion of this competency-based activity, the participant should be able to:

- Discuss how the global problem of antibiotic resistance is affecting North Carolina and actions to slow it
- Analyze how to apply antibiotic stewardship principles when interpreting cultures and x-ray results
- Describe the steps towards embarking on a successful quality improvement project
- Summarize the complementary roles of infection prevention and antimicrobial stewardship efforts

Registration Information

- Register for free at www.wakeahec.org
- Includes online handouts and online certificate of completion
- Continental breakfast, breaks, and lunch provided
- For registration questions, contact Lue McKnight at lmcknight@wakeahec.org or 919-350-0469

Target Audience

North Carolina-based infection preventionists, nurses, physicians, APPs, pharmacists, and others working in hospital, outpatient, or long-term care settings in North Carolina.
